

From **FAMOUS LABELS** to **OBSCURE CREATIONS**,
the ever-changing world of wine has it all

Following that idea our wine list is always on the move
showcasing **BIG CLASSICS** and niche **BIO-DIVERSE** wines

THE TEAM SELECTION

Our house wines by the glass or bottle that have been tried and tested and we think you'll really enjoy. Classic grapes from Merlot to Sauvignon that have proved to be a consistent choice amongst our guests. We'd love to hear what you think.

THE WINE LIST

If you'd really like to push the boundary and try something different, we're able to offer a lot of our wines by the glass with a big help from our Coravin device. So if you'd like something with your meal without purchasing the entire bottle you now have an excuse. Please ask for our Sommelier if you have any questions.

WINE FLIGHTS

We now serve wine flights with our tasting menu. You will be served 7 glasses (425ml in total) alongside 7 of the 9 courses on the menu, priced at £45 per person. Please speak to our Sommelier if you would like to make this an addition to your dining experience.

WATER

We sponsor Llanllyr Source Spring for our Still and Sparkling water. The spring is located 60 miles west of Llangoed Hall. They also produce fantastic soft drinks to compliment your gin or other spirit of choice.

Wines by the glass are served in a 125 ml. measurement.

Some wines may contain sulphites or other allergens.
